Bellman are not permitted on the event floor and if the use of a bell cart is used, each exhibitor will be charged the 200 lb minimum material handling fee based on the material handling worksheet located later on in this exhibitor manual.*

Payment Policy

Show Site Orders: Services ordered at show site will require full payment at the time the order is placed. Purchase orders may not be used in lieu of payment. Regular prices will apply to all show site orders. Floor orders are limited to availability.

Third Party Orders: If you contract your work to a display or exhibit house and require services from Pinnacle, the payment policy stated above applies. Please pass this information along to them. A Third Party Payment form must be completed and submitted three weeks prior to show opening.

Charges: All charges, regardless of amount, must be paid in full by cash, check or credit card. If credit card method is used, please ensure that the card limits are high enough to cover your expected charges.

Past Due Accounts: The buyer understands that there will be a 1 1/2% monthly (18% per year) finance charge on past due accounts and agrees to pay all costs incurred by Pinnacle Exposition Services while seeking to collect this account.

Invoices: Within a week of the close of show, an invoice will be prepared and emailed for your review. Credits will be issued at show site only. If you have any questions, or would like to pay your invoice by check or cash, please see our customer service representatives at the service desk on site.

International Customers: International customers must pay for all services in U.S. funds. A \$50 service charge will be added for processing checks or wire transfers drawn on foreign banks.

U.S. Wire Transfers: A \$25 service charge will be added for processing U.S. wire transfers. Please complete the wire transfer portion of the Payment Authorization Form. The credit card portion of the form must still be completed before your order will be processed.

Tax Exempt Status: If you are tax exempt in the state where the show is held, a copy of the certificate must accompany your order.

Outbound Services: All outbound services will be processed on your credit card. A copy of the receipt and invoice will be mailed within 10 days of the close of the show. Price Quotes: Prices quoted are for the duration of the show and include installation, rental, and removal, except where indicated.

Rental Responsibility: All materials are on a rental basis and shall remain the property of Pinnacle. The customer shall be held financially responsible for any damage to Pinnacle equipment used by the customer.

Claims for Loss and Payment of Services

Exhibitor agrees that any and all claims for loss or damage shall be submitted to Pinnacle within 30 days of the conclusion of the show. In the event that the alleged or suspected damage or loss occurred prior to show opening (i.e. during set up) or during the course of the show, it is imperative that you notify the onsite Pinnacle representative prior to the close of the show. For claim reporting purposes, the "conclusion" of the show shall be construed as the end of the day on which exhibitor must vacate the show site. All claims reported after the 30-day period will be rejected. In no event shall a suit or action be brought against Pinnacle more than one year after the date that loss or damage occurred. Payment for services may not be withheld. In the event of any dispute between Pinnacle and the exhibitor relative to any loss or damage claim, the exhibitor shall not be entitled to, and shall not withhold payment for Pinnacle services as an offset against the amount of the alleged loss or damage. Any claim against Pinnacle shall be considered a separate transaction and shall be resolved on its own merit.

Inbound and Outbound Shipments

Consistent with trade show industry practices, there may be a lapse of time between the delivery of shipment(s) to the booth and the arrival of the exhibitor or his representative. During such time, the materials will be left unattended. Pinnacle is not, and cannot be, responsible for loss, damage, theft, or disappearances of exhibitor's materials after same have been delivered to the exhibitor's booth. Similarly, there may be a lapse of time between the completion of packing and the actual pick up of exhibitor's materials from the booth for loading onto a carrier. During such time, the materials will be left unattended. Pinnacle is not, and cannot be, responsible for loss, damage, theft, or disappearances of exhibitor's materials before same have been picked up for loading after the show. All materials will be checked at the booth at the time of loading using document(s) submitted by the exhibitor and notations of exceptions to conditions of materials, or piece counts will be made on said document. Pinnacle assumes no responsibility for loss, damage, theft, or disappearance of exhibitor's materials after same have been delivered to exhibitor's appointed carrier or agent for transportation.

Material Handling and Labor

Exhibitors are required to follow local labor jurisdictions. Most trade show labor is unionized, and therefore, Pinnacle is required to go through the local unions for labor used for show set up and dismantle. Drayage, or material handling, is the movement of show materials from the shipping dock to your booth for show set up and from your booth back to dock for return shipment at the end of the show.

Packaging Crates and Empty Containers

Pinnacle shall not be responsible for surface damage to loose or uncrated materials, pad-wrapped, or shrink-wrapped materials. Pinnacle shall not be responsible for concealed damage, damage to carpets in bags or poly, or damage to materials improperly packed. Pinnacle shall not be responsible for crates and packaging unsuitable for handling, partially assembled, or having prior damage. Affixing "Empty" storage labels to containers is the sole responsibility of the exhibitor or his representative. All previous labels should be removed. Pinnacle assumes no responsibility for removal or misdelivery of containers with old labels or incorrect information on labels or for loss or damage to materials stored in containers labeled "empty."
